

Technical Data Sheet

DIZOLVA™ Water based concrete build up remover

Product	Dizolva is a water based product for removing Concrete and Mortar Build up from most surfaces. It also acts as a degreaser, while removing concrete / mortar build up.
Usage	Removes Calcium Build up. Also removes Mortar and Plaster Runs, Droppings and Stains from Brickwork, Painted Surfaces, Timber, Glass, Aluminium, Roller Doors, Concrete Surfaces and most Plastics. Excellent in the removal of Concrete Build up from Machinery, Tools, Scaffolding, Equipment and Surface Rust, and Mill Scale from Steel work.
Benefits	<ul style="list-style-type: none">▶ Non Toxic, Non Corrosive, Non Hazardous, Non Flammable▶ Pleasant Odour, Rapid Dissolving action▶ Eco and User Friendly▶ Safe, 100% Biodegradable, readily dispersible
Application	<p>APPLICATION: Always do a test trial for compatibility.</p> <p>DO NOT pre-wet the surface as it will affect the performance of the Dizolva™. For Fresh Build up: may be diluted 1 part Dizolva™ to 1 part water. Cured or Older Build up: use Dizolva™ neat. Depending on the age and hardness of the build up, can be diluted 1 part Dizolva™ to 1 part water, If build up is excessive break down with a chisel or hammer, then apply Dizolva™.</p> <p>Use a pressure pack hand sprayer, apply a generous coating to the build up. Allow 15 to 20 minutes to penetrate, soften and turn into paste. Pressure wash off, heavy build up may require 2 or 3 applications and the use of a scraper or stiff bristle broom. Do NOT apply in hot weather, as it is more effective in cooler temperatures during morning or evening hours or in shaded areas.</p> <p>HAND TOOLS: Spray tools liberally with Dizolva™ or alternatively fill a small tray or bucket and submerge the tools. Leave 15 to 20 minutes, then rinse off.</p>
Coverage	Will vary according to the number of applications required.
Equipment	Trigger Spray, Hand Pressure pack ,Stiff broom
Package	750 ml Spray Pack, 5lt and 20lt container
Shelf life	Approximately 24 months, unopened
Storage	Store in a cool well ventilated area.
Handling	Keep out of reach of children, Avoid contact with skin and eyes, wear gloves and eye protection.
Properties	Appearance: Clear thin liquid Solubility in water: Soluble

Important Note:

The information given on this data sheet is based on many years experience and is correct to the best of our knowledge. However since the use of our product, surface conditions, weather and a number of other factors are completely beyond our control, we can only be responsible for the quality of our product at the time of dispatch. For more information please contact our Company. As this information is of a general nature, we cannot assume any responsibility in individual cases.

Disclaimer: Warranty and Limitation of liability:

Bescon warrants its products to be free from faults/defects in material and workmanship. Bescon's sole obligation and Buyer's exclusive remedy in connection with the products shall be limited, at Bescon's option, to either replacement of products not conforming to this Warranty or credit to Buyer's account of the invoiced amount of the nonconforming product/s. Any claim under this Warranty must be made by the Buyer to Bescon in writing within five (5) days of Buyer's discovery of the claimed defect, but in no event later than the expiration of the applicable shelf life, or one year from the delivery date, whichever is earlier. Buyer's failure to notify Bescon of such non-conformance as required herein shall bar Buyer from recovery under this warranty. Bescon makes no other warranties concerning the product. No other warranties, whether express, implied or statutory, such as warranties of merchantability or fitness for a particular purpose shall apply. In no event shall Bescon be liable for consequential or incidental damages. Any recommendation or suggestion relating to the use of the products made by Bescon, whether in its Technical Data literature, or in response to specific inquiry or otherwise, is based on data believed to be reliable; however, the products and information are intended for use by Buyers having requisite skill and know-how in the industry, and therefore it is for Buyer to satisfy themselves of the suitability of the products for their own particular use and it shall be deemed that the Buyer has done so, at their sole discretion and risk. Variation in environment, changes in procedures of use, or extrapolation of data may cause unsatisfactory results.

Limitation of Liability:

Bescon's liability on any claim of any kind, including claims based upon Bescon's negligence or strict liability, for any loss or damage arising out of connected with, or resulting from the use of the products, shall in no case exceed the purchase price of the products or part thereof which gives rise to the claim. In no event shall Bescon be liable for consequential or incidental damages.
