## Release Agent Powder

Slate mat releaser

### Product

Bescon Release Agent is a coloured powder, provides a two tone effect. Designed to be broadcasted over the surface of the concrete prior to placing the Slate Impression Mats. This will enable the imprint of the mats and eliminate the possibility of the concrete adhering to the mats.

### Application

Prior to application, ensure walls, and surrounding areas are covered to avoid the risk of staining.

After the Statop® Coloured surface hardener has been applied and trowelled, apply the Release Agent. As the Release Agent may have settled in the pail, it is advisable to aerate by hand prior to use. Apply the Release Agent evenly over the surface using the broadcast method. Place mats and use a tamper for an even imprint. Leave concrete to cure 2 to 3 days, before pressure washing.

Seep or vacuum excess release agent then use a pressure washer to remove as much Release Agent as you wish, remembering to use even pressure and that the higher the pressure the more Release Agent will be removed. The objective is to leave on enough Release Agent to create a two / three tone effect. While the concrete is still wet it is advisable to acid etch the surface of the concrete to enable greater penetration of the sealer.

**Acid Etching:** ensure concrete is wet, Mix 1 part hydrochloric acid to 15 parts of water a plastic watering can, then apply to the surface of the concrete. Do NOT allow the surface to dry. Wash off immediately and thoroughly using a hose or a light pressure wash. For environmental reasons, it is advisable to apply a neutralizing agent (Soda Ash) prior to hosing off the acid solution.

Once concrete is completely dry, apply StaSeal® Premium concrete sealer as per application guidelines to enhance the colour and protect the surface.

### Coverage

Approximately 12 sq mtrs per kilo

### Package

8 kg pail, available in neutral and a variety of colours

### Shelf life

Approximately 18 months, providing stored correctly and unopened

### Storage

Store in a well protected dry area

### Handling

Avoid contact with skin and eyes, wear gloves and eye protection. Avoid breathing dust, wear dust mask complying with AS1715

### Properties

Appearance:	Coloured powder
Flammability:	Non Flammable
Solubility in water:	Insoluble

#### Disclaimer: Warranty and Limitation of liability:

Bescon warrants its products to be free from faults/defects in material and workmanship. Bescon's sole obligation and Buyer's exclusive remedy in connection with the products shall be limited, at Bescon's option, to either replacement of products not confirming to this Warranty or credit to Buyer's account of the invoiced amount of the nonconforming product/s. Any claim under this Warranty must be made by the Buyer to Bescon in writing within five (5) days of Buyer's discovery of the claimed defect, but in no event later than the expiration of the applicable shelf life, or one year from the delivery date, whichever is earlier. Buyer's failure to notify Bescon of such non-conformance as required herein shall bar Buyer from recovery under this warranty. Bescon makes no other warranties concerning the product. No other warranties, whether express, implied or statutory, such as warranties of merchantability or fitness for a particular purpose shall apply. In no event shall Bescon be liable for consequential or incidental damages. Any recommendation or suggestion relating to the use of the products made by Bescon, whether in its Technical Data literature, or in response to specific inquiry or otherwise, is based on data believed to be reliable; however, the products and information are intended for use by Buyers having requisite skill and know-how in the industry, and therefore it is for Buyer to satisfy themselves of the suitability of the products for their own particular use and it shall be deemed that the Buyer has done so, at their sole discretion and risk. Variation in environment, changes in procedures of use, or extrapolation of data may cause unsatisfactory results.

#### Limitation of Liability:

Bescon's liability on any claim of any kind, including claims based upon Bescon's negligence or strict liability, for any loss or damage arising out of connected with, or resulting from the use of the products, shall in no case exceed the purchase price of the products or part thereof which gives rise to the claim. In no event shall Bescon be liable for consequential or incidental damages.
