

Technical Data Sheet

Sealer Strippa Sealer & paint stripper

Product Sealer Strippa is a methylene chloride based heavy duty paint and sealer stripper

Usage For stripping old concrete sealer, enamel, varnish and lacquer from concrete, wood and metal.

Benefits

- ▶ Slow drying
- ▶ Non Corrosive
- ▶ Non Flammable

Application Surface must be completely clean and dry prior to applying. Mask up any fences, walls, and posts etc. using plastic to prevent damage. It may also be necessary to mask any garden plants to prevent accidental damage during the pressure washing process.

Prior to opening and applying Sealer Strippa: Read notes on Safety and advice for additional information refer to MSDS

Apply liberally at the lowest point which will leave higher areas dry after water blasting. Working on 10 to 15 sq mtrs at one time. Apply with a broom a thick coating of the solution onto the surface to be stripped. Do not apply a thin coat as this will not be enough to strip the sealer. Leave for 5 to 10 minutes to penetrate.

Scrub the surface with a stiff broom to emulsify the sealer. Scrape off excess before water blasting. Do not allow the surface to dry before water blasting. Water blast the surface thoroughly.

If any thick white or coloured sealer residue remains scrub with a stiff broom then water blast a second time. Remove all old sealer and the sealer stripper. If the area is to be re-sealed follow application guidelines for sealing of unsealed surfaces.

Equipment Broom, Scraper and Pressure washer

Coverage Approximately 4 sq mtrs per litre, may vary according to thickness of coating

Package 20 litre pail

Shelf life Approximately 12 months, providing stores correctly and unopened

Storage Store in a well protected dry area, well ventilated, away from excessive heat, away from all ignition sources

Handling Avoid contact with skin and eyes, wear long rubber gloves and eye protection. Avoid breathing vapours, wear respiratory half mask, wear safety gumboots. Apply in well ventilated areas

Properties

Appearance:	Thick translucent liquid
Solubility in water:	Soluble

Important Note:

The information given on this data sheet is based on many years experience and is correct to the best of our knowledge. However since the use of our product, surface conditions, weather and a number of other factors are completely beyond our control, we can only be responsible for the quality of our product at the time of dispatch. For more information please contact our Company. As this information is of a general nature, we cannot assume any responsibility in individual cases.

Disclaimer: Warranty and Limitation of liability:

Bescon warrants its products to be free from faults/defects in material and workmanship. Bescon's sole obligation and Buyer's exclusive remedy in connection with the products shall be limited, at Bescon's option, to either replacement of products not conforming to this Warranty or credit to Buyer's account of the invoiced amount of the nonconforming product/s. Any claim under this Warranty must be made by the Buyer to Bescon in writing within five (5) days of Buyer's discovery of the claimed defect, but in no event later than the expiration of the applicable shelf life, or one year from the delivery date, whichever is earlier. Buyer's failure to notify Bescon of such non-conformance as required herein shall bar Buyer from recovery under this warranty. Bescon makes no other warranties concerning the product. No other warranties, whether express, implied or statutory, such as warranties of merchantability or fitness for a particular purpose shall apply. In no event shall Bescon be liable for consequential or incidental damages. Any recommendation or suggestion relating to the use of the products made by Bescon, whether in its Technical Data literature, or in response to specific inquiry or otherwise, is based on data believed to be reliable; however, the products and information are intended for use by Buyers having requisite skill and know-how in the industry, and therefore it is for Buyer to satisfy themselves of the suitability of the products for their own particular use and it shall be deemed that the Buyer has done so, at their sole discretion and risk. Variation in environment, changes in procedures of use, or extrapolation of data may cause unsatisfactory results.

Limitation of Liability:

Bescon's liability on any claim of any kind, including claims based upon Bescon's negligence or strict liability, for any loss or damage arising out of connected with, or resulting from the use of the products, shall in no case exceed the purchase price of the products or part thereof which gives rise to the claim. In no event shall Bescon be liable for consequential or incidental damages.
